

Summer Leadership Institute - Assignment for CEU Completion

Thank you so much for joining us this summer for the Summer Leadership Institute! To receive three CEUs, we are asking you to complete the following short, and hopefully FUN, assignment.

Once your assignment is completed, please email Tom at thbull@syr.edu and use the subject line of “**SLI- CEU Assignment.**”

Assignments are **due**, per University College at Syracuse University, by **Monday August 10, 2020 at 11:59 pm** in order to receive your CEUs.

To complete your assignment for the 2020 SLI, we are asking you to think about *themes* that stand out across the institute; across all of the presenters...across conversations...across all the stories shared.

When you think across everything that you have learned and experienced, what are 3 “big ideas” that stick with you? How were you impacted, and how will these ideas translate into your work?

To receive your CEUs, we will simply be looking for:

- Three (3) big ideas that emerged for you from across the 2020 institute
- Alignment between each big idea to at least three (3) different presenters who shared content, stories, and solutions related to the big idea
- Three (3) action steps you will take going forward to do something with the knowledge/insight you’ve gained

We would like you to represent the big ideas, their connection to various presenters, and your action steps, in whatever way works best for you. For example you can:

- Write a reflective journal
- Make an action plan
- Bullet your thoughts and ideas
- Record a conversation with another person
- Take a real-life problem/situation and work through a solution
- Create/Draw a picture that captures the big ideas, presenters, and action steps
- Write a poem, create an alliteration, make a word cloud that captures the big ideas, presenters, and action steps
- Write and perform a song
- Write and record a role-play

Most importantly, have fun and get as creative as you want...but also keep it simple and straightforward so you can get back to your important work.

You can make one product, with all three big ideas included, or represent each big idea in a different way. Whatever you feel makes the most sense!

You can then email your assignment a WORD document, PDF document, a series of pictures, an audio or video recording, etc.

We look forward to seeing what your big ideas are!

Don't forget, once your assignment is completed, please email Tom at thbull@syr.edu and use the subject line of **"SLI- CEU Assignment."**
